

Ty'n y Wern Primary School
Termly Overview for Families – Summer Term 2024

Expressive Arts	Humanities	Language, Literacy and Communication
<p>Digital Media – Our focus this term will be on film and the effectiveness of different techniques to convey information</p> <p>Art – We will be focusing on music and online media, following on from our masterclass from Larry the song doctor last term</p>	<p>Geography – Our focus will be on sustainability, climate and pollution. These themes will run through all lessons as our topic link</p> <p>RVE – We will be exploring the natural world and how living things interact with each other. We will also be looking at how humans can have a positive effect on the climate and the environment</p>	<p>Texts and Genres – We will be focusing on poetry and recounts. We will then be recapping and going over any literary styles which need to be reviewed ready for secondary school</p> <p>Vocabulary and Punctuation – As this is the last term we will be ensuring that each individual has their own tailored literary support for identified gaps</p>
Mathematics and Numeracy	<h1 style="margin: 0;">CAMU TRWY CYMRU</h1> <p style="margin: 0;"><i>Leaping Through Wales</i></p> 	Events
<p>Focused Maths Teaching – This term we will cover: Decimals/Fractions/Percentages/Area/Perimeter/Volume/Statistics/Shape</p> <p>Application of Maths across the Curriculum – We will be making sure to apply maths to our topic of comparing climates through population density, statistical analysis of environment and habitats as well as the scientific research concerning the local area</p>		<ul style="list-style-type: none"> • Leavers Assembly • Leavers Hoodies • Llangranog • New Theatre Trip • Swimming Sessions • Cluster Sports • Sports Day
Science and Technology	Health and Wellbeing	Trips, Visits and Visitors
<p>Science – Our main focus will be on living things and how they are adapted to their environment. Also we will look at energy and the human impact of the world</p> <p>Design Technology – We will be designing presentations to develop group work and confidence. We will also be looking to enhance our creativity through the use of adobe spark</p>	<p>Mental Health – Our primary focus as a school is to ensure that all students are ready for secondary school and have the resilience needed to succeed</p> <p>Physical Health – Our PE topic this term will be rounders and outdoor track activities</p> <p>RSE – We will recap Judaism, explore various cultures across the globe and compare</p>	<ul style="list-style-type: none"> • Duathlon • Llangranog • New Theatre • End of Year trip • Cluster Sports

My Summer Term Homework Menu

<p>Our Values</p>	<p>Expressive Arts</p>	<p>Health and Wellbeing</p>	<p>Humanities</p>	<p>The spellings that we will be using...</p>
<p>April – Creativity May – Independence June – Resilience July – Self-Belief August - Happiness</p>	<p>Design your dream holiday destination with an emphasis on the climate, weather and organisms that you would find there. Use any medium to represent this</p>	<p>Discuss and write down any worries that you may have about transitioning to secondary school. A discussion between parents and child can help boost confidence and reassure</p>	<p>Discuss the different cultures and identities in your family. Is there anyone who has lived in a different environment or country before or currently?</p>	<p>Environment Government Adaptation Evolution Comparison Sustainability</p>
<p>Outdoor Activity</p>	<p>Languages, Literacy and Communication</p>	<p>Mathematics and Numeracy</p>	<p>Science and Technology</p>	<p>The times tables that we will be using...</p>
<p>With our school based swimming sessions coming this term, we ask that if possible to visit a swimming pool to get some practice and recap before the sessions begin</p>	<p>Create a poem that represents your feelings about school and transition next year. How can you convey emotions and make an interesting poetry piece for a reader?</p>	<p>Can you find and compare which country has the highest and lowest population size? Is there a correlation between population density and average temperature?</p>	<p>Use adobe spark or any other digital media to create your own poster to protect your local environment! How could you persuade people to look after their environment and prevent litter?</p>	<p>All times tables up to x12 Please access times table rockstars online for further support</p>
