July 2025

Our Autumn term topic for Years 1 to 6 is SPACE. If you have any resources or ideas that you think we might benefit from then please get in touch.

Years 5 & 6 will be working on exciting projects in conjunction with the National Engineering Society and businesses across South Wales.

## Goodbye & Good Luck Year 6

As excited as we all are for the end of term it is always a sad time when we have to say goodbye to our wonderful year 6 pupils. This group have certainly kept us on our toes and thoroughly entertained. We wish them all the luck in the world.

## STAFFING CHANGES

As we head towards the end of the summer term there are a few staffing changes to announce;

- Mrs Miles and Mrs Davies who both covered PPA will not be returning in the Autumn term.
- Mrs Kellett who after many, many years service to the school will be returning part time, working Monday, Tuesday and Wednesdays. Ms Rees will be acting deputy head in her absence.
- Mrs Hemmings will be staying to cover PPA for 2 days per week.
- Miss Harris will be joining us in Year 2 and Miss Counsell in Year 4/5.

*I'm sure you will all give them a very warm Ty'n y Wern welcome.*

Our Yma o Hyd Mural which is dedicated to the memory of Mr Williams is now complete and will be unveiled on Friday 12<sup>th</sup> of September. As much as we would love to invite everyone to this, unfortunately space does not allow but it will be available to be seen after school on this date.

The mural will create an interactive display based on our work around the life of Welsh Heroes including Owain Glyndwr, Welsh Miners and Soldiers, Anuerin Beavan and of course our wonderful Mr Williams. Thank you to everyone who supported the fundraising.

The Seesaw accounts will be archived soon, ready to create new classes for next year so please make sure you save anything that you want to keep. It is really important that everyone signs up to Seesaw to keep up to date!

In September the junior department will be taking part in "Fun Fridays" every Friday afternoon. During these sessions the children will learn lots of new skills which will include art, first aid, forest schools and a whole host of other fun activities. The children will rotate through the activities throughout the year.
