

TY'N Y WERN

Newsletter

October 2025

We invite you all to join us for an afternoon of magnificent maths on Wednesday 5th of November. Come along to learn more about our involvement in the National Numeracy Schools and Families' Programme.

Following a short presentation in the hall at 1.30pm you will have the opportunity to spend time in your child's classroom learning how best to support them on their mathematical journey and how to complete the activities that will be sent home over the next year.

STARGAZING EVENT

Come and appreciate the wonders of the night sky on Tuesday 18th of November at 5pm. This will be an opportunity to sit and appreciate the stars, enjoy some refreshments and make some amazing decorations to decorate our school Christmas tree.

We hope you can make it!

DONATIONS WANTED!!!

We are looking to develop woodwork and weaving across the school and would be eternally grateful of any donations including bottle tops (metal and plastic), corks, ring pulls from cans, nails, screws, golf tees, small off cuts of soft woods, ribbons, wool, string, beads and buttons. No matter how small a donation please send them in.

ATTENDANCE MATTERS – We Miss You When You're Not Here

We cannot emphasise how important it is that your child attends school regularly so that they do not miss out academically or socially. The local authority ask that we refer any child whose attendance falls below 90% to the Education Welfare officer. Ways that you can help are to - arrange routine appointments such as dental and opticians for outside of the school day - return children to school following an unavoidable appointment - provide copies of medical appointments so that the absences can be authorised - make use of the INSET week to take term time holidays.

Our whole school attendance last year was 91.2% **2025/26 TARGET is 92%**

PLEASE DO NOT USE SEESAW TO NOTIFY US OF YOUR CHILDS ABSENSE.

Thank you to everyone who donated to our Harvest Festival. Our community pantry is now fully replenished, and we had a lovely morning filled with songs and poems.

The Bistro is a community resource available for all to benefit from. Please help yourself to uniform, fancy dress, shoes and boots. There is also a small lending library area. Please speak to a member of staff should you need any support.

The bistro now has its own Facebook and Instagram pages which all members of the community are welcome to follow. There are many exciting events planned over the coming weeks so please spread the word!

Volunteers wanted..

If anyone has a spare hour or two we would love some help with some weeding and painting.

Come and meet your child's teacher on Monday 20th, Tuesday 21st or Wednesday 22nd of October. Please book using the link posted on Seesaw.

AUTUMN TERM DATES

Date	Event	Who
