

## **Half Term Homework**

Please can you try to read with your child over half term as much as possible. Students have created their own individualised bookmarks this week to use for reading at home or school. If you do find time to read and make use of these bookmarks, please feel free to share your experience with us on SeeSaw!

## **Reading Recommendations**

Anything you read with your child will be a massive benefit to their progression, even if it may seem above or below their reading ability. Here I have provided a list of recommendations for children aged 7-8, but feel free to tailor your reading to your child's interests to keep them engaged!
