

Ty'n y Wern Primary – Armed Forces Covenant commitments

All 22 local authorities in Wales have signed the Armed Forces covenant. The following is a template of text to use on the school website to demonstrate the school's commitments to the Armed Force Covenant. The text can be adapted as appropriate.

The Armed Forces Covenant is a promise by the nation, ensuring that those who serve or who have served in the Armed Forces, and their families, are treated fairly.

The covenant focuses on helping members of the Armed Forces community, experience neither advantage nor disadvantage due to Service and therefore have the same access to government and commercial services and products as any other citizen.
