Hello Dosbarth Kites!

It's transition week! Many of our students will be going up to Bedwas school for visits this week. Please make sure they attend! This is a significant step in their journey for next year.

As always, if you are working from home, try to follow the plan as best as you can and remember to upload photographs of your work to Seesaw so that it can be marked and we can feedback. Any extra sheets or information you may need will be included in a link in blue.

If you need me for any concerns or questions, my school email is ElworthyB8@Hwbcymru.net

Monday

1	WALT: Vertically opposite angles	Activity: After exploring some basic angle rules last week, we will now step up to a more complex process where we combine both angles on a straight line and vertically opposed angles.	ACL.3
2	WALT: Hot Write – Introduction and Swimming 12 – 12:30	Activity: Students will take part in their first swimming sessions starting today. This will be every day for three weeks.	ECC.2
3	WALT: Concert prep and Hot Write	Activity: Students will continue ongoing practice for the upcoming memorial concert and after continue with their hot write.	ACL.5

Tuesday

1	WALT: Transition Day	Activity: Students will get a full day experience at Bedwas High School.	ACL.3

Thursday			
1	WALT: Mr Wheeler Singing and Angles in a Triangle	Activity: Here we will be looking at angles in a triangle and what they add up to. We will also be looking at how to use this information to deduce what a missing angle could be.	ACL.1
2	WALT: Hot write – Body and Swimming	Activity: Students will continue their hot write with a focus on the main arguments and body. This will be based on the success criteria and build up lessons that students have used at their individual level.	ACL.1
3	WALT: Hot Write - Conclusion	Activity: Here we will focus on the conclusion of the hot write and ensure that we have included everything that we have set out in our success criteria.	EIC.5

Friday			
1	WALT: Missions + Mr Wheeler Sing	Activity: This time will be used for accessing and completing any missions that have been started during reading time this week. Missions are independent tasks that recap knowledge from the previous two weeks.	ACL.4
2	WALT: Consolidation and catch up and Swimming	Activity: This time is dedicated for improving, reflecting and building on the work produced this week. This allows time for me to provide individualised feedback to each student on their progress and where there is room to improve in each area of learning.	ACL.1
3	WALT: Jigsaw + Sports Day	Activity: Our jigsaw theme this term is “changing me.” This topic includes some sensitive themes such as puberty. Please make me aware of any concerns.	HCL.1
